

## GUC-150/20

### V - Fold Hand Towel/150, 22cm

The **FSC certificate** is a guarantee that the paper reaches the end user through a strictly monitored chain: from certified forest, through processing and production. The FSC label on the product means that any wood used to make napkins comes from a forest where there is no unplanned felling, artificial genetic modification of the tree, leaving bare ground where landslides or leaching of the topsoil, or there may have been a displacement of the local population in order to cut down the forest.
